DEAR FRIENDS,

As we kicked off our 2019 Fiscal Year (July 1, 2018 to June 30th, 2019) we decided on a theme for the entire year, and that was: **"Celebrate our Superheroes!"** That means we want to **celebrate all of YOU!**

Wikipedia defines a superhero as: "A type of heroic character, usually possessing supernatural or superhuman powers, who is dedicated to fighting the evil of the universe, protecting the public, and battling supervillains." By most definitions, characters do not require actual superhuman powers to be deemed superheroes.

Let's unpack this and see if we met the criteria of a superhero. The Child Protection Center is dedicated to fighting a horrific evil in the universe, one that the American Academy of Pediatrics has referred to as an epidemic: CHILD ABUSE! **So, Fighting Evil - CHECK!** Through CPC's core services (**Personal Safety & Community Awareness, Children & Families Supervised Visitation Program, Child Protection Team, and CPC Therapy**) we strive to protect the public and equip the community with skills necessary to both prevent abuse and to know what to do if one is impacted by child abuse. **So, Protect the Public-CHECK!** And, through our services and collaborative partners we are battling some of the most evil supervillains, people that abuse children. **So, Fighting Supervillains-CHECK!**

We are not in this fight alone. All of you that have supported CPC have become our partners and ambassadors; you helped to ensure that CPC has the resources to take this fight on. You embody the very definition of a superhero. You may not be in the medical room, therapy room, supervised visit, courtroom or classroom workshop, but these things would never happen without you. You believe in CPC and have partnered with us to fight child abuse, you desire to protect our communities, and have the courage to stand up to villains. You are a **Superhero for Kids!**

Now you know why we presented so many of you with your very own superhero capes this past year. Thank you for having the courage to take a stand with CPC in the prevention, intervention, and treatment of child abuse. In the following pages we are pleased to report our successes across all our programs. We could not have done it without you.

Together We Make a Difference,

Karen Valentino

OUR MISSION

The mission of The Child Protection Center (CPC) is child abuse: **prevention**, **intervention** and **treatment**.

The CPC envisions a community in which children are safe from abuse and free to thrive.

To successfully address the issue of child abuse, efforts in prevention, intervention and treatment must be implemented. The unique comprehensive continuum of services developed over the more than thirty-nine year history of the Child Protection Center, Inc. exemplifies such an effort.

PREVENTION

- PERSONAL SAFETY AND COMMUNITY AWARENESS PROGRAM (PSCA)

INTERVENTION

- CHILDREN AND FAMILIES SUPERVISED VISITATION PROGRAM (CFSVP)
- CHILD PROTECTION TEAM (CPT)

TREATMENT

- THERAPY PROGRAM

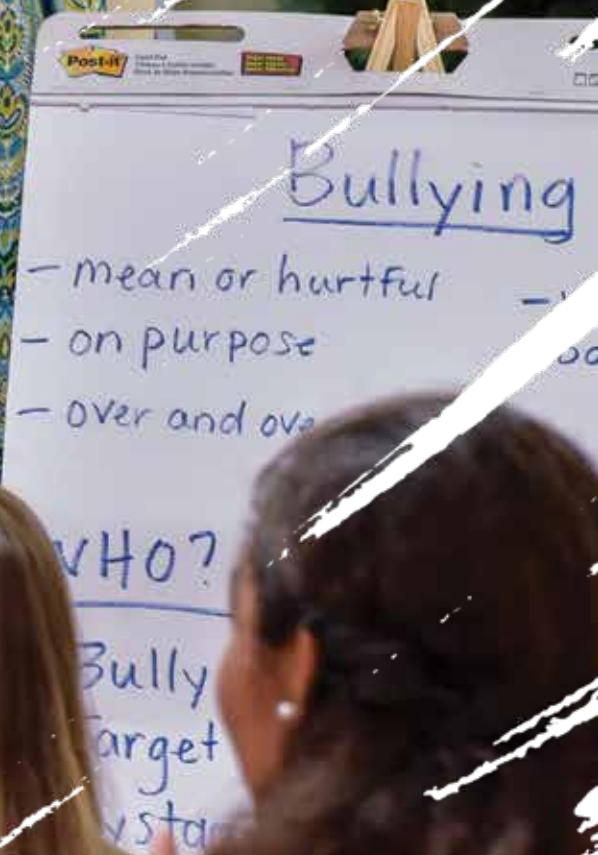

The CPC has become known as the local experts on Child Abuse by local, state and national agencies. The PSCA is the longest tenured child abuse prevention program in the state of Florida. CPC's Child Protection Team and Therapy Program are the only Department of Health endorsed programs in Sarasota and DeSoto counties serving child abuse victims.

Services are provided in Sarasota, North Port, Venice and Arcadia.

PREVENTION

PERSONAL SAFETY AND COMMUNITY AWARENESS (PSCA)

PSCA strives to create a future in which children are empowered and educated, adults are equipped and aware, and our community is a safer place for children and families, through:

- Educational programs for children
- Training professionals about child maltreatment
- Community awareness
- Workshops for parents and caregivers

Dear Ms. Shelby,

Thank you for coming into our school and teaching us about internet safety. I loved the way you gave us real life scenarios to teach us about safety. I have most of the social media apps that you talked about and I feel I am a lot more prepared now. I loved your presentation. I hope you come back soon.

He is focused on cutting a piece of orange paper. The girl, on the right, has long dark braids and is wearing a dark blue tank top. She is also working on a project. The table is covered with various art supplies, including a blue tray of markers, a cup of yellow clay, and a pair of blue scissors. In the background, there is a colorful abstract painting on the wall.

"THE MISSING PIECE"

One of the most impactful pieces of art on display at CPC is titled "The Missing Piece." This was done by a 15 year old girl in our therapy program. She was sexually abused by her high school coach. She was ostracized by her peers. They couldn't believe she did this to their coach. She felt completely isolated which is depicted in the far left hand corner; she is alone and cutoff from everyone else. Toward the top of the piece she depicts the abuse. Toward the top right is a self-portrait with the eyes darkened and mouth covered. She had no voice or vision for the future! The right side of the artwork was masterfully done as puzzle pieces as she is putting the pieces of her life back together. This artwork, like all art, communicates a story and depicts the real struggle and journey of this young child. You can almost hear the dialogue with her therapist as her journey unfolds, but no matter what there will always be a missing puzzle piece that her perpetrator took from her.

Her perpetrator served a five year sentence with probation. While on probation he missed curfew and was then required to serve his original sentence of 18 years. The family felt that they finally had closure. The picture is a digital scan of the original artwork and is displayed with permission. You can see the journey of these courageous children through their artwork which is displayed throughout our building. Helping children go from victim to survivor to one that thrives is a goal of our therapy program.

WAYS TO GIVE

CASH OR STOCKS

Make a donation in honor of a loved one using cash or stocks and utilize the charitable tax deduction without incurring capital gains taxation. The CPC has an established stock account with Edward Jones.

CHARITABLE GIFT ANNUITY

This option provides the donor and/or other named beneficiaries with an income at a competitive rate of return. The Gift Annuity establishes a charitable fund benefiting the CPC.

IRA OR QUALIFIED PLAN

Work with The CPC's development staff to discuss assets that can provide for you during your lifetime and later serve as a substantial gift to the CPC.

ASSET LIQUIDATION

Avoid the complications of changing IRS regulations and leave possessions to The CPC and receive a tax deduction on the appraised value.

For more information on contributing to the Child Protection Center, please call Doug Staley or Sheila Miller at 941-365-1277.

ENDOWMENTS

Philanthropists Doug and Sherry Chapman have established the Sharyn Chapman Endowment to benefit the Child Protection Center. Doug and Sherry are asking local foundations and members of the philanthropic community in Sarasota County to provide a match to the **\$250,000 GIFT** to double or triple the proceeds coming to the CPC, in hopes that a sizable endowment will ensure financial stability for the organization.

LIFE INSURANCE

A variety of giving options surrounds insurance policies including the option to give a paid-up policy or buy insurance to replace a charitable bequest.

IRA CHARITABLE TRANSFER (Donors 70 or Older)

This option gives donors the ability to contribute to their required minimum distribution for the year the gift is made and receive multiple tax benefits even when taking the standard deduction. The CPC can walk you through this process, along with your IRA administrator.

DONATIONS

Received between July 1, 2018 and June 30, 2019

If we have inadvertently omitted any individual, please accept our apologies and heartfelt thanks for your contribution. Please call Sheila Miller, VP of Philanthropy at 941-365-1277 Ext. 111 with any corrections.
